Dear Prospective Family,

Welcome to Holy Cross School - Education for the Heart, Mind, and Soul!

I am excited that you have taken the time to come by Holy Cross and see, firsthand, what Holy Cross School can offer your family. We are a small school with a BIG SPIRIT and a BIG STORY.

Holy Cross School offers academic rigor, digital citizenship with modern technology, 1:1 laptops for grades 5-8 and 1:1 iPads for grades 2-4, Latin, economics, field trips, extracurricular activities, sports teams, community fun, faith-filled activities including prayer partners, global and local service projects, performing arts, music, art, PE, hot lunch, library, before and after care program, Mad Science, Odyssey of the Mind, and robotics - hope we didn't miss anything!

Throughout the years, Holy Cross School has provided our students with opportunities to strengthen their faith and to learn in an excellent academic Catholic setting. Students, parents, faculty members, and alumni of Holy Cross School continue to contribute to and shape our community as volunteers, business owners, and leaders.

National testing results indicate Holy Cross students are performing above state and national averages at every grade level.

The key to Holy Cross School's success is the involvement of your family in your child's education. Families are not an afterthought, but integral to school and student success. You are always welcome at Holy Cross School, and we hope that you will be involved in our academics, faith programs, extracurricular events, and our Home and School Association.

I invite you to schedule a time to visit us soon with your son or daughter during the school day. To schedule a time or just to talk about what Holy Cross School can do for you and your family, call me at 207-799-6661 or e-mail me at chris.labbe@portlanddiocese.org. I encourage you to like us on Facebook at [HolyCrossSchoolSouth PortlandMaine](https://www.facebook.com/HolyCrossSchoolSouthPortlandMaine) and/or check out our website at www.holycrossmaine.org

Again, thanks so much for thinking about joining the Holy Cross School Community and entrusting your most precious treasures to us - we promise to take good care of them.

All the Best,

Chris L'Abbé, M.Ed
